FRIENDS OF WORCESTERSHIRE MUSEUM OF FREEMASONRY

The Province of Worcestershire is most fortunate in possessing the finest collection of Masonic items in the English constitution, other than that belonging to the United Grand Lodge of England itself, which is housed at the Library and Museum of Freemasonry, Freemasons Hall, London.

The Library and Museum opened in 1887 in the Masonic Hall, 95 High Street, Worcester. The 12 Lodges in the province at the time all contributing to purchase W.Bro George Taylor's extensive collection of Masonic Jewels, Regalia, literature and ephemera. Since then the contents of the museum has grown and is still growing almost at a daily rate.

In 2009, the museum became the first Masonic Museum in the country to achieve Accredited Museum status. In 2013, we successfully achieved re-accreditation

Friends of the museum will receive:

- ◆ exclusive access to talks/lectures by guest speakers before the general public.
- ◆ From time to time there may be friends only' talks or events organised.
- ◆ Friends will receive a regular newsletter which will keep them up to date with developments at our Museum and informing of special events that may be held in other Masonic Museums across the country.
- ◆ On payment of your first membership fee you will receive a lapel badge which we would ask you to wear with pride, which will also advertise this group.
